

Cv

Jenny Sunesson is a Swedish artist and writer often using sound and documentary for her works. She was born 14/12/1973 in Göteborg and originally trained as a journalist. Between 1997 and 2002 she worked for several newspapers and the Swedish National Radio. She later studied sound art at Dramatiska Institutet (University College of Film, Radio, Television and Theatre). She graduated in 2004 and joined the Institute for Electroacoustic Music in Sweden (EMS). In 2007 she was awarded with the Åke Hodell award for her sharp political art.
